RESOLUTION #6

NOW THEREFORE IT IS RESOLVED:

Whereas, Alanson is the gateway to the world nautically. Where the Crooked River runs north through Alanson. Where history is preserved. Where beautification is a mission. Where the nautical history of Alanson included a multitude of boathouses which have been disappearing at an alarming rate over the past several years. Whereas the Alanson Village Council supports and encourages the repair and maintenance of all existing boathouses that remain within the Corporate limits.

Therefore, by a vote of 5 trustees in favor and 0 trustees opposed, this resolution conveys the support of the Alanson Village Council for maintaining all existing boathouses located within the Corporate limits of the Village of Alanson, Michigan.
